

# Roll Covers

## Cotton Roll Covers for Wet Processing Equipment

### FEATURES

- s Highly absorbent
- s Soft terry-cloth type surface.
- s Lint-free when used with the Nylon Sleeves (see Description)
- s Long-lasting performance.

### DESCRIPTION

A complete line of high quality roll covers. Cotton Roll Covers are made with a clean bleached cotton loop fabric, woven into a seamless tube. The Nylon Sleeves are an accessory to the LL-50 Cotton Roll Cover. The Nylon Sleeves are slipped over the LL-50 to prevent cotton lint fibers from transferring to the clean panel surface and are held in place by draw strings .
